5. On 5 February, the Hindenburg Kaserne was occupied by about 200 to 250 troops wearing black-bordered blue epaulets, including some with air force insignia. [redacted] did not observe any training or vehicular traffic. 2

6. On 7 February, the Flak Kaserne in Leipzig-Schoenau was occupied. Two obstacle courses were prepared on Kirschberg opposite the installation. Foxholes and ditches were being prepared at the southeastern edge of the area. [redacted] on 5 February, 5 rocket launchers entered the installation. On 6 February, an undetermined number of troops engaged in firing practice and field training in the training area. 3

7. On 21 January, the barracks installation in Leipzig-Heiterblick was occupied by troops wearing red-bordered black epaulets, including some with tank and motor transport insignia. Prior to 21 January, 5 T-34 tanks, 3 to 5 BA-64 armored scout cars and about 20 armored personnel carriers were seen in the barracks area. No training other than driving school practices with trucks and sidcar motorcycles was observed. On 7 January, 2 sidcar motorcycles engaged in dexterity tests at the athletic field southwest of the installation. Two to 3 driving school trucks entered the installation from the direction of Taucha on 9 and 11 January. On 19 January, 1 BA-64 armored scout car was seen in the barracks area and, on 21 January, 4 driving school trucks and 1 armored personnel carrier were observed. [redacted]

25X1
